### POPPY'S TAIL by Cate Douglas

Poppy dreams it would be fun to have a tail.  
But which kind will she choose?

She tries out many different animal tails,  
then invents her own and finds lots of  
amusing and original ways to use it.

With vibrant illustrations and light-hearted rhyme,  
**Poppy's Tail** is a playful and engaging picture book,  
beautifully designed to capture a young child's  
imagination and entertain the reader.

It could be bushy like a squirrel  
Or skinny like a rat  
Curly like a piglet  
Or silky like a cat.

### School visits

Author visits are free of charge in London and can be arranged via the contact details below. In addition to reading *Poppy's Tail* to Nursery, Reception and Year 1 children, Cate also brings along a range of activity sheets and a collection of tails—never a dull moment! Signed books and Poppy's rainbow tails are available to buy and we ask that schools advise parents of this opportunity in advance.

"The staff and children in Reception and Year One really enjoyed 'Poppy's Tail' and I am very thankful that you took the time to share it with all of us."

Rebecca Leviston, Ravenscourt Park Prep School

"From start to finish, all the children were captivated by 'Poppy's Tail'. Both boys and girls engaged with it and enjoyed trying on different tails and sharing why they had chosen them. The whole experience ignited the children's imagination and got them enthused by reading. Thank you for making our World Book Day so memorable."

Krystyna Flanc, South Farnham Educational Trust
